

Regatta Tennis Tournament 2026

In previous years we have had the slightly complicated situation where some finals from the Closed went through to be played in the Open Tournament. This year we aim to complete the Closed in its allotted three days and finish with its presentations and a celebration on the Sunday evening. So here's the plan. Normally almost all of our events consist of quarter finals, semifinals and finals - so we play these on the Friday, Saturday and Sunday respectively. If an event is so popular we need earlier matches, we arrange them to take place in the two weeks prior to the Closed by agreement between the players concerned. Fallback position is to play them 8.30 Friday morning!

Entries in 1 August Draws August 6th - R16*
matches played by arrangement of players

R16 is the round of 16 - the round before the quarterfinals - in previous years there have only been two or three such games. We have scheduled these first thing on Friday but to avoid players playing too many games in one day, these can be played by agreement between the players at earlier times before the Tournament starts.

Friday 21st August - Quarterfinals				
8.30am If needed	Any unplayed early matches			
9.30 am.	Men's singles Quarterfinals	Men's singles Quarterfinals	Men's singles Quarterfinals	Men's singles Quarterfinals
